Item from the Daily Log - 27 March 1953

25X1A

25X1A [REDACTED] requested assistance from this office in preparing proper wording of proposed amendments to the Communications Act of 1934. Mr. [REDACTED] advised that the matter had been discussed with State, who suggested that we prepare appropriate language for further consideration. This office will meet with Communications people next week to pursue the matter further.
